

Specialist Anaesthesiologist

The Department of Anaesthesiology & Critical Care at Tygerberg hospital and Stellenbosch University is accepting applications for specialist Anaesthesiologist posts for 2023

Your application must include the following:

1. Completed and signed Z83 form
2. Certified copy of Identity document
3. Updated Curriculum Vitae
4. Proof of HPCSA specialist registration OR evidence that you are eligible for specialist registration
5. Any other certificates that you deem appropriate

Applications can be submitted in person to Tygerberg hospital Human Resources or by e-mail to Veruschka.Meyer@westerncape.gov.za

Tygerberg Hospital applies employment equity principles for all staff appointments (including specialist appointments) as required by the Western Cape Department of Health, and in accordance with South African legislation.
