**Vacancy – Medical Specialist (Sub-Speciality: Critical Care) Grade 1 to 3**

Tygerberg Hospital is a quaternary academic hospital affiliated to Stellenbosch University. The hospital is located in the eastern metro of the City of Cape Town and is the referral centre for the east metro, Winelands and rural districts of the Western Cape province.

We are recruiting suitably qualified candidates for the position of Medical sub-specialist (Critical Care).

**Qualifications:**

Appropriate qualification that allows registration with the Health Professions Council of South Africa (HPCSA) as Medical sub-Specialist in Critical Care.

**Duties:**

- Provision of evidence-based quality patient care in the Critical Care Unit.
- Effective management and administration within the Critical Care Unit which includes Service Delivery, People Management, Financial Management and Infra Structure management.
- Educating and training of all trainees (undergraduates [medical students]; postgraduates [Registrars]; Critical Care Fellows [Specialists training to be Intensive Care Specialists]) and members of the Critical Care clinical team.
- Supervision and facilitation of post graduate research projects as well as personal research.

**Application process:**

Your application must include the following:

1. Completed and signed Z83 form
2. Certified copy of Identity document
3. Updated Curriculum Vitae
4. Proof of HPCSA sub-specialist registration OR evidence that you are eligible for sub-specialist registration
5. Any other certificates that you deem appropriate

To apply please submit applications to Ms V Meyer (veruschka.meyer@westerncape.gov.za). Tel: 021-938-5194
